INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors
Community Foundation of Carroll County, Inc.
Carroll, IA

We have reviewed the accompanying financial statements of Community Foundation of Carroll County, Inc. (an Iowa 501(c)(3) non-profit organization), which comprise the statement of assets, liabilities, and net assets – cash basis as of June 30, 2021, and the related statement of revenues, expenses, and changes in net assets – cash basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the Community Foundation of Carroll County, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our opinion.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash basis of accounting.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

COMMUNITY FOUNDATION OF CARROLL COUNTY, INC.

Notes to Financial Statements For the Year Ended June 30, 2021

Note 1 – Nature of Activities and Significant Accounting Policies

Nature of Activities

The Community Foundation of Carroll County, Inc. (the Organization) was formed in 2004 to manage the funds received from the State of Iowa and other sources in an effort to grow a community endowment fund and to make administrative distributions on behalf of other 501(c)(3) organizations within Carroll County, Iowa. The Organization later expanded its mission to include the administration of qualified 501(c)(3) funds and organizations throughout Iowa.

The Organization is required by law to place 25% of all funds received by the Organization through the State of Iowa's County Endowment Fund Program in an endowment fund for the benefit of Carroll County. The remaining funds are to be currently expended on qualified charitable grants throughout the county. A certain percentage of these immediately expendable funds may be used to fund the Organization.

The Organization administers funds for other 501(c)(3) charitable funds and organizations in accordance with its bylaws and standards, and where applicable, in coordination with those organizations' board of directors. The Organization verifies that any affiliated organization meets with the standards promulgated by the Organization, is in compliance with federal and state statutes, and any distribution of funds is for eligible purposes as determined through its bylaws and under federal and state statute.

Significant Accounting Policies

The financial statements of the Organization have been prepared on the cash basis of accounting a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Revenue and support are recognized when received rather than when promised or earned, and certain expenses and purchases are recognized when cash is disbursed rather than when the obligation is incurred. Investments are recorded at the original purchase price of the investment rather than the investment's fair market value which as of June 30, 2021 were \$631,160 for the Organization and \$1,546,017 for the Other Agencies.

Cash Equivalents. The Organization considers all short-term investments without donor restrictions with an original maturity of three months or less to be cash equivalents unless the investments are held for meeting restrictions of a capital or endowment nature.

Contributions. Contributions are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted. Amounts received that are restricted to use in future periods or for specific purposes are reported as increases in donor restricted net assets, consistent with the nature of the restriction.

In-kind Donations. The organization receives a significant amount of support in the form services from volunteers in the organization's operations. Services that do not require specialized knowledge are not required to be reported on financial statements prepared on the cash basis of accounting. Accordingly, these financial statements do not reflect these contributions. If these contributions were recorded, revenues would increase by the fair value of the contributions.

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

Significant Accounting Policies (Continued)

Net Assets. The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by the donor's, as follows:

Net assets without donor restrictions are resources available to support operations. The only limits on the use of net assets without donor restrictions are the broad limits resulting by the nature of the organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are resources that are restricted for a particular purpose or future period.

All revenues and gains are reported as increases in net assets without donor restrictions in the Statement of Revenues, Expenses, and Changes in Net Assets - Cash Basis unless the use of the related resources is subject to donor restrictions. All expenses and net losses other than losses on endowment investments are reported as decreases in net assets without donor restrictions. Net losses on endowment investments reduce donor restricted net assets to the extent that net gains of the fund from prior years are unspent and classified there; remaining losses are classified as decreases in net assets without donor restrictions. If an endowment fund has no net gains from prior years, such as when a fund is newly established, net losses are classified as decreases in net assets without donor restrictions.

Expense Recognition and Allocation. The cost of providing the organization's programs and other activities is summarized on a functional basis in the Statement of Revenues, Expenses and Changes in Net Assets - Cash Basis. Expenses that can be identified with a specific program are charged directly to that program. Costs common to multiple functions have been allocated among the various functions benefited. The Organization has elected to use the direct expensing method in accounting for planned major activities. The Organization reports all activity for the Other Agencies as a net total.

Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the organization.

Fundraising costs are expensed as incurred, even though they may result in future contributions.

Additionally, advertising costs are expensed as incurred.

Use of Estimates. The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses during the period and as of the date of the financial statements. Actual results could differ from those estimates.

Significant Accounting Policies (Continued)

Tax Status. The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is also a public charity under the IRC Sections 509(a) and 170(b)(1)(A)(vi). This allows for donations to the Organization to be deductible as charitable contributions.

The Organization accounts for uncertainties in accounting for income taxes using the guidance included in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, Income Taxes. The Organization recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. At June 30, 2021, the Organization had no uncertain tax positions.

Note 2 – Net Assets

Net assets consist of the following and are available for the purpose indicated.

	<u>Organization</u>	<u>Other Agencies</u>	<u>Total</u>
Without Donor Restrictions	12,392	21,207	33,599
With Donor Restrictions	<u>430,198</u>	<u>1,192,671</u>	<u>1,622,869</u>
Total Net Assets	<u><u>442,590</u></u>	<u><u>1,213,878</u></u>	<u><u>1,656,468</u></u>

Note 3 – Subsequent Events

The Organization has considered subsequent events through September 17, 2021, which is the date the financial statements were available to be issued.
